2019 Pirramimma Watervale 303 Riesling

Winemaker's Notes

For this pristine Riesling we selected a secluded vineyard on the rocky eastern edge of Watervale. In the early 1900's it was the home of the 'Watervale Defence Rifle Club'..... *"Friday 27th June 1902 representing the successful Watervale team against Port Broughton and Brinkworth where the eminent Rev S.C.Mugford, 'crack shot' John Ward, A.Graham, G.Hunter, O.Castine, C.Smith and future Quelltaler Winery manager, Emil Sobels. The rifle of choice for the majority of participants was the legendary 303".....*

The bouquet displays lemon, lime and Granny Smith apple notes. The palate exhibits lemon sorbet, intense lime and hints of mineral and elderberry, which are beautifully enhanced by crisp natural acidity. The Very cool vintage has provided us with a wine of great length and varietal purity.
